Important Monster® Performance and Safety Tips

- To avoid hearing damage, make sure that the volume on your music player is turned down before connecting your Jamz™ in-ear headphones. After placing Jamz in your ears, gradually turn up the volume until you reach a comfortable listening level.
- Avoid listening at high volume levels for prolonged periods. This may cause permanent hearing damage or loss.
- Be aware of your surroundings and use Jamz responsibly. Do not use Jamz when it is unsafe to do so – while operating a vehicle, crossing streets at crosswalks, or during any activity or environment where your full attention to your surroundings are required.
- Get the most out of your equipment by playing it at a safe level. Jamz will allow you to hear more details at lower volume levels than ever before.
- Learn how to establish a safe listening level and review other important safety guidelines from the Consumer Electronics Association (CEA) at <http://www.cea.org/> and the Deafness Research Foundation at <http://www.drf.org/>. Information courtesy of the Deafness Research Foundation.

Eartip Selection: The Key to Great Sound and Comfort

The tips on the ends of your Jamz make the difference between good sound and great sound. With the right fit, you'll hear less unwanted outside noise, better bass, and more details in your music. Of course, the right fit will also feel more comfortable. Because everyone's ears are different, Monster® supplies 3 sizes and designs of eartips. It takes a bit of experimenting to get the right fit.

Try out all the eartips that come with your Jamz to find the best fit for the size and shape of your ear canal.

Choose the eartip that is large enough to give you a good seal in your ear canal, but isn't so large that it's uncomfortable.

Proper Insertion and Removal of Eartips

IMPORTANT: Left and Right Headphones

There are Red and Blue colored bands and "L" and "R" markings on each in-ear headphone. "L" with the Blue band is for the left ear. "R" with the Red band is for the right ear.

1. You may wish to lightly moisten your eartips for easier insertion.
2. Using your right hand, grasp the right in-ear headphone.
3. With your left hand, pull up and back on your right ear to straighten your ear canal.
4. Carefully insert your right in-ear headphone so that it seals completely and comfortably in your ear. **DO NOT** insert the headphone so deeply that your ear canal feels completely "plugged".
5. Repeat this for your left ear.
6. When you're done listening, remove your Jamz slowly with a twisting motion to gradually break the seal.

Jamz™ Eartip Fit Testing

A good way to see whether or not the eartip is sealing in your ear canal is by snapping your fingers next to your ear. If the seal is a good one, your ear will not feel “plugged,” and the snapping of your fingers will sound dull and distant. If you hear your finger snaps clearly, the seal can probably be better. If the sound of your finger snapping is dull and distant, but your ear feels plugged up, like you’re on an airplane preparing to land, then you’ve over-inserted the eartip.

Using The Cable Management Clip

1. Put Jamz™ in-ear headphone into your ears, as you usually would when listening.
2. Fasten the Cable Management Clip onto your shirt around the chest or collar area or wherever is most convenient for the shirt you’re wearing.
3. Grab the cable above the Cable Management Clip and pull it slightly upward, sliding it through the clip to create enough slack between the in-ear headphones and clip to allow for head movement and to take the stress off the in-ear headphones.

Using The Cable Slider

For further cable management, Jamz™ come with a Cable Slider. The Cable Slider is designed to reduce tangles during storage, as well as work in tandem with the Cable Management Clip to eliminate sway and bounce while in use.

During use, push the slider about halfway between the V where the cable split, and the in-ear headphone, then adjust for your personal comfort. This will keep the cables in a more compact position, reducing bounce and sway.

To use for the purpose of reducing tangles during storage, push the Cable Slider all the way up to the in-ear headphones before putting your Jamz away. Simply push the Cable Slider back down when ready for use.

Using Jamz on Flights or At High Altitudes:

When using Jamz with a good seal while flying or at high altitude, the air pressure will change, which will change the sound. The pressure inside your ears also will change as you go up and down in altitude. To remedy this, occasionally break the seal and re-insert your Jamz into your ears.

Cleaning the Eartips

IMPORTANT: DO NOT attempt to clean the eartips without first removing them from your Jamz. Getting the delicate circuitry inside your Jamz wet may cause permanent damage.

1. Firmly grip the eartip with one hand and the earphone with the other.
Carefully remove the eartip from the eartube.
2. Use warm water and mild soap on a damp cloth to remove dirt and earwax from the eartip. **DO NOT** use harsh cleaning agents.
3. Rinse and completely dry your eartips before placing them back on your Jamz.
4. Carefully push the eartips back onto your Jamz, making sure they are on the eartube completely.

Care and Storage

- When you're not using your Jamz,[™] always store them in the protective case provided. Keep the case closed, and store in a clean, dry place.
- Avoid exposure to liquids, temperature extremes and high humidity.
- Don't store other items in the case with your Jamz, as this may result in damage or contamination.
- Never pull on the cable to disconnect Jamz from your music player. Instead, grasp the plug at the end of the cable and pull to disconnect.

Jamz “Break-in”

Like pair of shoes, headphones will go through a “break-in” period. What this means for you is that sound characteristics will change slightly over time. But the change will be for the better. So as good as your Jamz sound right now, they’ll sound even better as they “loosen up” a bit.

LIMITED WARRANTY FOR CONSUMERS

Monster, LLC., 7251 West Lake Mead Blvd., Las Vegas, NV 89128, USA, (415) 840-2000 ("Monster") extends You this Limited Warranty. Statutory or common law may provide You with additional rights or remedies, which shall not be affected by this Limited Warranty.

DEFINITIONS

"Adequate Use" means use of the Product (i) within a home or dwelling, (ii) for private (as opposed to commercial) purposes, (iii) in conformance with all applicable local, state or federal law, code or regulations (including without limitation building and/or electrical codes), (iv) in accordance with manufacturer recommendations and/or instructions in the materials and documentation that accompany the Product, and (v) if applicable, with proper electrical grounding.

"Authorized Dealer" means any distributor, reseller or retailer that (i) was duly authorized to do business in the jurisdiction where it sold the Product to You, (ii) was permitted to sell You the Product under the laws of the jurisdiction where You bought the Product, and (iii) sold You the Product new and in its original packaging.

"Formal Warranty Claim" means a claim made in accordance with the section "Formal Warranty Claims" herein.

"Product" means a Product (i) that is listed in the Specifications Table below, (ii) that You bought from an Authorized Dealer new and in its original packaging, and (iii) whose serial number, if any, has not been removed, altered, or defaced.

"Product Defect" means an inadequacy of the Product that existed at the time when You received the Product from an Authorized Dealer and that causes a failure of the Product to perform in accordance with Monster's documentation accompanying the Product, unless such failure has been caused completely or partly by (a) any use other than Adequate Use, (b) transportation, neglect, misuse or abuse by anyone other than Monster's employees; (c) alteration, tampering or modification of the product by anyone other than a Monster employee; (d) accident (other than a malfunction that would otherwise qualify as a Product Defect); (e) maintenance or service of the Product by anyone other than a Monster employee; (f) exposure of the Product to heat, bright light, sun, liquids, sand or other contaminants; or (g) acts outside the control of Monster, including without limitation acts of God, fire, storms, earthquake or flood.

"Warranty Period" means the time period during which Monster must have received Your Formal Warranty Claim. The different Warranty Periods related to Product Defects are defined in the Specifications Table below. The Warranty Period commences on the date when You purchased or received (whichever occurs later) the Product from an Authorized Dealer as evidenced by the Authorized Dealer's invoice, sales receipt or packing slip. If You do not have written proof of the date of purchase or receipt, then the Warranty Period commences three (3) months after the date when the Product left Monster's or its factory as evidenced by Monster's records. The Warranty Period ends after the time defined in the Specifications Table has expired or after You have transferred ownership of the Product, whichever occurs earlier. Also, You must call Monster and obtain a Return Authorization Number (as described under "How to Make a Claim") within two (2) months after You discover a Product Defect (or should have discovered it, if such Product Defect was obvious).

"You" means the first individual person that purchased the Product in its original packaging from an Authorized Dealer. This Limited Warranty does not apply to persons or entities that bought the Product (i) in used or unpackaged form, (ii) for resale, lease or other commercial use, or (iii) from someone other than an Authorized Dealer.

SCOPE OF THIS LIMITED WARRANTY

PRODUCTS. If a Product contained a Product Defect when You bought it from an Authorized Dealer and Monster receives a Formal Warranty Claim from You within two (2) months after You discover such Product Defect (or should have discovered it, if such Product Defect was obvious) and before the end of the Warranty Period for Product Defects applicable to the affected Product, then Monster will provide You with one of the following remedies: Monster will (1) repair or, at Monster's sole discretion, replace the Product, or (2) refund to You the purchase price You paid to the Authorized Dealer for the affected Product if repair or replacement is not commercially practicable or cannot be timely made. NOTE: MONSTER DOES NOT ASSUME ANY LIABILITY FOR ANY INCIDENTAL, CONSEQUENTIAL OR INDIRECT DAMAGES UNDER THIS LIMITED WARRANTY.

GENERAL PROVISIONS

CHOICE OF LAW/JURISDICTION. This Limited Warranty and any disputes arising out of or in connection with this Limited Warranty ("Disputes") shall be governed by the laws of the State of California, USA, excluding conflicts of law principles and excluding the Convention for the International Sale of Goods. The courts located in the State of California, USA shall have exclusive jurisdiction over any Disputes.

OTHER RIGHTS. THIS LIMITED WARRANTY GIVES YOU SPECIFIC LEGAL RIGHTS, AND YOU MAY ALSO HAVE OTHER RIGHTS, WHICH VARY FROM STATE TO STATE AND JURISDICTION TO JURISDICTION, AND WHICH SHALL NOT BE AFFECTED BY THIS LIMITED WARRANTY. THIS WARRANTY EXTENDS ONLY TO YOU AND CANNOT BE TRANSFERRED OR ASSIGNED. If any provision of this Limited Warranty is unlawful, void or unenforceable, that provision shall be deemed severable and shall not affect any remaining provisions. In case of any inconsistency between the English and other versions of this Limited Warranty, the English version shall prevail.

REGISTRATION. Please register Your Product at www.monstercable.com/register. Failure to register will not diminish Your warranty rights.
