MONSTER PERFORMANCE CAR™ SHOWCASES NEW 300 SERIES MIDI DISTRIBUTION BLOCKS AT 2007 CES

*Scheduled to Ship in Q1 2007, Monster 300 2-Way and 4-Way MIDI
PowerFuse™ distribution blocks with Fuse Status LED.*

Las Vegas, Nev. Jan. 8, 2007 – Monster Performance Car™ is proud to announce that it will showcase its new 2-Way and 4-Way Monster 300 MIDI PowerFuse™ Distribution Blocks at the 2007 Consumer Electronics Show (CES), held from January 8-11 at the Las Vegas Convention Center, booth # 2622.

“The Monster 300 Series MIDI Fused Distribution Blocks provides maximum protection from unsafe high-current power transfer,” explained Noel Lee, The Head Monster. “The high-amperage components in a mobile entertainment system often draw immense current to produce audio that can be heard and felt. And ensuring safe, reliable performance requires fusing engineered to work with the ultra-high current demands of a high-powered, multiple amplifier system.”

For ultimate installation flexibility, the 2-way distribution block includes one 1/0 & one 4-gauge inputs, and two 8-gauge outputs, while the 4-way distribution block includes one 1/0 & one 4-gauge inputs, and four 8-gauge outputs.

Additional features of the Monster 300 MIDI PowerFuse™ Fused Power Distribution Blocks include:

- Informative fuse status LED
- Includes 1/0 AWG and 4 AWG inputs, outputs adjust from 8 AWG to 4 AWG (with optional adapter)
- PowerQuip™ compression-fit connection allows for ultimate current transfer
- Accepts MIDI style fusing that has excellent current capability from 30 to 150 amps
- 400 Series exclusive Polished Black Nickel finish
- Pricing:

- 2-way	MPC P300 LCPFD-12M	\$79.95
- 4-way	MPC P300 LCPFD-34M	\$99.95

- 2-year product warranty

ABOUT MONSTER

Monster is known to thousands of audio, video, car, photo, computer, movie and music enthusiasts as the company that makes their other products work better. Starting in a San Francisco garage 25 years ago, Noel Lee, The Head Monster, created the first Monster Cable to get better sound from stereo speakers. He created an instant following with recording engineers and professional musicians with many of today's hottest CDs being mixed and mastered in studios completely wired with Monster Cable and powered by Monster Power.

The Monster brand now encompasses over 4,000 items including speakers, subwoofers, furniture, MP3 accessories, camera bags, cell phone headsets, PowerCells™, power line conditioners, voltage stabilizers, surge protectors and every kind of cable imaginable...all with a single focus: to help enthusiasts *Get All The Performance They Paid For™* from their favorite electronics.
